1	04,05,12	Commercial Bid	II. Softcopy submission	It is not clear in which form the tender fee amounting INR 1,000/- is to be submitted	Will it be accepted post opening of technical bid, If only DD in original is required.	Scanned copy of DD may be submitted as a part of the online submission however the original copy of DD must be submitted by hand/ post within 3 working days of opening of the technical bid.
2	20	Annexure 1	Template for Commercial Proposal	The 8 channel amplifier with BLU link is a proprietary technology of Harman and other brands cannot supply same product. This gives an unfair advantage to one particular brand whose proprietary technology is used.  May we request you to re-look the specifications and make them generic so other brands also have a fair chance to quote.		Kindly refer the corrigendum.
3	34	Annexure 12: Compliance sheet for Equipment proposed	Audio Setup for QC Room / 2. Software - 2nos qty	Regarding software version	for professional film audio QC Protools Ultimate software subscription would be ideal . 12 HD is mentioned in the NIT.	Clause remains unchanged.
	35	Annexure 12: Compliance sheet for Equipment proposed	Audio Setup for QC Room / 2. Amplifiers - 2 nos qty	8 Channel amplifier with mentioned specification is not standard across all the brands . Can we quote separate amplifiers as mentioned below which is equivalent to the same channel count 1. 1X 6 Channel amplifier + 1 X 3 Channel amplifier	No workflow changes .	Kindly refer the corrigendum.
	32	Annexure 11: Layout of QC Rooms at NFAI Phase 2	Audio QC Room 1 (Plan)	We would request elevation plans for speaker location marking and cable calculation.	This will be helpful for the mounting location of speakers	Bidder to make suitable assumptions after undertaking site visit.
